Students are given two attempts to complete multiple-choice assessments. A third attempt will attract a fee of \$95. An extension to three-month short course enrolments and 10-month qualification enrolments is available for a fee of \$145. A 20% discount off the recommended retail price published on the website will be provided for re-enrolments.

Re-Marking of Statement of Advice will attract a \$195 fee for each submission. Re-issuance of a Statement of Attainment (partial completion of a qualification) or certificate will attract a \$50 fee for each. Re-issue of manuals will attract a \$75 fee for each, plus postage costs.

Refunds will typically not be issued for learning or assessment that has been commenced or where materials have been distributed or where external provider fees are due.
